

25 Quick Start Training Activities: To Kick-Off & Energize Your Training Programs

This is a terrific series of easy-to-use exercises to break the ice in a new class or to energize and motivate students to learn. All training activities are easy to administer, powerful enough to really motivate, yet short enough so that they do not interfere with your main training objectives. Each activity has excellent technical content and makes its point clearly and dramatically. They make learning fun! 25 Quick Start Training Activities is perfect for any educational setting or learning situation. The activities can be used with equal effectiveness in high schools, colleges and universities as well as in education and training programs conducted by governmental, business and industrial organizations. This is a must have for any instructor or training facilitator.
