

Hal Leonard Beginners Guitar Course Vol. 4 Instructional Software

Hal Leonard is pleased to introduce this multimedia CD-ROM series from eMedia Music, the leading publisher of music instruction software. The Beginners Guitar Course offers an exciting way to quickly learn to play guitar. Professional guitar instructor Kevin Garry, Ph.D. guides with video demonstrations of techniques. Songs and exercises can be heard as either live recorded audio or variable-speed MIDI tracks. As the music plays, an animated fretboard guides the student through the correct fingerings. Each volume includes valuable accessories: an automatic tuner, metronome, chord dictionary and recorder. The multimedia lessons and built-in accessories offer tremendous value and make learning fun and easy! Volume 4 ? Learning to Read Music: Over 40 lessons move step-by-step through learning how to read music. The notes on each string are gradually introduced with exercises and reinforced with popular songs.
