

Buongiorno Italia! (Book & Cassettes)

Buongiorno Italia! is the highly successful course for beginners learning Italian. Whether learning at home or in a class, you will learn to use and understand basic colloquial Italian in a wide range of everyday situations. You can gain valuable insights into modern Italian culture, and extended reading material in Italian will enhance your learning experience, introducing more advanced language and specialist topics. Focusing on listening, reading, writing and speaking skills, Buongiorno Italia! will help you reach the equivalent of a first qualification, such as GCSE. Course Book*20 units based around authentic dialogues in Italian illustrate the basic structures and vocabulary in an everyday context *Exercises, activities and explanations reinforce learning throughout the course 304 page, full-colour book Audio*Authentic conversations and interviews allow you to hear native Italian speakers in common situations*Fully integrated with the book, the audio contains pronunciation practice, listening comprehension and interactive lessons 3 x 70-minute cassettes
