The discovery of an ancient bottle unleashes a Genie - and the wrath of the Demon Gypsies chasing her... When Suzette (Suki) is released from her bottle by two teen girls, she is more than a bit surprised that a Genie of her calibre is beholden to two average high school students. After dealing with dignitaries and noblemen, however, she believes this will be a welcome break. Until she discovers the teens' hidden powers and that one will come to possess the Amulet of Pollox, a necklace that contains the secrets of some of the greatest minds throughout history. Unfortunately, she's not the only one who notices. The Amulet draws the attention of the two powerful and vengeful Demon Gypsies who have pursued Suki through time and will stop at nothing to snatch the girls and the Amulet. Suddenly, Suki is not just helping the girls navigate high school crushes, she's safeguarding them from danger unlike anything they've ever known. To make matters more complicated, she must also fight her attraction to James - her protector through the ages - whose sudden arrival threatens her resolve and her heart. A time-traveling Genie and her unrequited love... Demon Gypsies with an insatiable quest for power... And the teen girls whose existence threatens them all. This is the world of Released, book one of The Romani Realms series by Mia Fox, a Young Adult trilogy featuring elements of paranormal romance and steampunk.
