

Ni gloria ni honor (Spanish Edition)

Una paz forzada se respira en la tierra de Hergar. Han pasado dos decadas desde la muerte del ultimo Andalorth reformador, Aidram, y desde entonces el poder ha estado en manos de los magnates del sur, que colocan una marioneta tras otra en el trono de Heria para mantener sus privilegios. En el montanoso norte, los astashi, devotos guerreros del Andalorth, languidecen bajo el dominio de senores de los clanes que solo buscan ampliar su poder y aplastar cualquier oposicion. Este precario equilibrio es roto con el retorno desde el exilio de Dash Herdra, antiguo senor de clan, guerrero temible, heroe de las falanges y responsable del asesinato de Aidram. En la guerra que se avecina, Dash y sus companeros lucharan para conseguir la union de todo el norte a la causa del Andalorth, pero no todos los enemigos se pueden vencer en el campo de batalla, pues para muchos, la diferencia entre un libertador y un tirano no esta clara. En medio de los combates, las intrigas, la sangre y el frio del invierno, Hugh Ney nos transmite una historia cruda y realista en la que echa por tierra la concepcion de heroes y villanos, demostrando que la delgada linea que separa a unos de otros depende del punto de vista de cada uno.
