

The Seeker: Book 1 of the Garden of Heaven Trilogy (Volume 1)

The Seeker, Book 1 of the Garden of Heaven Trilogy David Ward grows up on a Montana ranch where he develops an enduring love of mountains and the magic of the high country secrets he learns from his medicine woman grandmother. A vision quest at the summit of a sacred mountain opens his eyes to his future while blinding him to the details. As a seasonal employee at a mountain hotel, David meets Anne Hill during the summer of Glacier National Parks worst flood. Out of the ravages of water, they spend an idyllic summer in the beautiful Garden of Heaven. When Anne is confronted by a stalker on a dark street in her Florida college town, the magic David uses in an attempt to save her changes her and leads them into the dark territory of misunderstandings and the blood of Tates Hell Swamp.
