

Beckmann (Big Series : Art)

After a phase in which his art dealt mainly with biblical, historical and allegorical subjects, Beckmann painted pictures showing humanity in extremis, both physical and spiritual. This book analyzes the thematic complexes in Beckmanns visual world and traces the myths of the man and the art.

: Customer Reviews: Max Beckmann Max Beckmann (1884-1950) moved to the United States in the late summer of 1947, and would spend the last three years of his life there.
