

Return of the Perfect Girls (Replica #18)

Who will survive the dangers of the island? Palm trees swaying in the breeze. An azure sky. A sun-drenched beach. Crystal-clear water. Amy wants to believe the island is a tropical paradise except she's not there by choice, and the company she's keeping doesn't always inspire sisterly love. The other Amys are on the island. Andy and his brothers are nearby. And bad people want them to do bad deeds. Amys got to rally the rebellious clones if they all want to end up as survivors.
