

## Drinker: (The Wannoshay Cycle)

There are Elders, and then there are Drinkers. Our narrator, alas, is a Drinker, and his life on the planet called Wannoshay is one of hardship and unimaginable labors: he must travel many miles to gather water from the shrinking oceans, and carry it back to his people. In his belly. Drinker by Michael Jasper provides a model for enveloping readers in a nonhuman, alien culture -- The Fix A prequel to Michael Jaspers near-future science fiction novel The Wannoshay Cycle, and previously published in the DAW anthology Heroes in Training, Drinker tells the tale of a young alien who just might become great.
