

The Mystic Guardians: Betrayal and Death of the False One

The Mystic Guardians Betrayal and Death of the False One is the seventh book in the series following the adventures of Duncan, Longknife and Darnella. Longknife and Darnella have completed every mission that the Gods have assigned them. Their next mission is different from all the others; a secret mission given to them by Judith. This mission takes Longknife and Darnella home! When they arrive new family members are found, others show their true colors. Jealousy, hatred and betrayal abound, the actions of one will cause pain and suffering for all. I was born in Chicago and raised in Westhaven. After I graduated, I worked for Social Security where I met the love of my life, my husband. In 1985, we migrated with our three small sons to eastern Oregon. When not writing or researching, my primary job is Domestic Goddess.
