

Here We Remain

Here We Remain follows a man and his children and their fight to stay alive in a new and broken world. An outbreak of a fast-spreading disease quickly breaks down the Mid-West and causes the dead to be alive. As the undead infest the city, Mark, his children, and some friends he meets on his journey fight their way to find safety. For Mark, its more than just surviving, its keeping his children alive and keeping a promise he made to his wife. This thrilling story shows the resilience of humans and how amongst all the chaos, family is what matters the most.
